Thanks so much, Cory and Anthony! Given we need to get this translated asap, we'll send the slide Cory provided for translation, but will do our best to accommodate any revisions that might come through from Anthony.

Also, who should we include as panelists from Metro? Anthony, Cory, Martha, and Gary?

Thank you!

Anthony,

During our prep call today, we discussed adding a slide to the short introduction that describes code of conduct. Can you please share the latest version of this slide with Jessica? Attached is the version used on a Scoping Virtual meeting. Also, the plan is for you to present the code of conduct slide and then jump in during the comment period in the event the code needs to be restated. Let us know if any questions/comments.

Thanks
Cory
