

Service Change

Riders will be required to wear face masks while on Metro buses and trains and in indoor stations beginning Friday, April 22, to comply with new L.A. County health order.

Crenshaw/LAX Transit Project

Metro's plan for better transit includes the K Line to bring more travel options and access to opportunity. This project will extend from E Line (Expo) at Expo/Crenshaw Station and merge with C Line (Green) at Aviation/LAX Station, connecting the Crenshaw Corridor, Inglewood and El Segundo.

Overview

Location: Central Los Angeles, South Bay Cities

Phase: Operations & Maintenance

Type: Better Transit

Forecasted Opening: Fall 2022

Metro's plan for better transit includes the K Line to bring more travel options and access to opportunity. This project will extend from E Line (Expo) at Expo/Crenshaw Station and merge with C Line (Green) at Aviation/LAX Station, connecting the Crenshaw Corridor, Inglewood and El Segundo.

The K Line will serve the Crenshaw District, Inglewood, Westchester and surrounding areas with eight new stations:

1. Expo/Crenshaw
2. Martin Luther King Jr.
3. Leimert Park
4. Hyde Park
5. Fairview Heights
6. Downtown Inglewood
7. Westchester/Veterans
8. Aviation/Century

On this future line, the Airport Metro Connector (<https://www.metro.net/projects/airport-metro-connector/>) (AMC) at Aviation Boulevard and 96th Street, will provide a direct connection to Los Angeles International Airport (LAX).

Status

Metro began constructing the K Line in 2014. Walsh Shea Corridor Constructors has reached a sufficient level of systems testing to achieve substantial completion in 2022. Metro has confidence the K Line will open for operation in Fall 2022. This forecast includes five to six months of equipment testing and training of Metro operations and maintenance staff.
