Overview

Location: Central Los Angeles

Phase: Design & Engineering

Type: Complete Streets

Forecasted Opening: 2024

Metro's plan includes complete streets, which is why we're enhancing walking and biking paths near Union Station, Southern California's primary transportation hub. This project includes new sidewalks, crosswalks, street trees and lighting and a civic space with sustainable features.

Status

Metro has completed the final design for this project and is working towards advertising it for construction bidding.
