RE: Letter (sent via email) dated January 17, 2023 concerning the LAART Project

Dear Mr. Savio:

Thank you for your letter dated January 17, 2023, with comments and concerns about the meeting held on January 12, 2023 at the Cathedral High School. As your letter referenced, the meeting was disrupted by several attendees using a bullhorn, a microphone with portable speaker and whistles. Due to the loud and disruptive behavior, other attendees may have been unable to or uncomfortable with providing verbal comments during this time. Given the disruption during that meeting, Metro held a continued public hearing on February 8<sup>th</sup>, 2023. The meeting was on-line via Zoom and allowed interested members of the public an additional opportunity to provide verbal testimony on the Draft Environmental Impact Report for the Los Angeles Aerial Rapid Transit (LAART) Project.

Thank you again for your continued participation in the LAART Project. Should you have any questions regarding the continued public hearing held on February 8<sup>th</sup>, please contact Anthony Crump at (213) 418-3292 or [crumpa@metro.net](mailto:crumpa@metro.net).

Sincerely,
